

Vulcano

Climbing Hill

Made by Okidoki-Consult (Inh. Angela Pegels)

Okidoki-Consult
Fun Park Equipment
Expert Guidance !

Our Vulcano Climbing Hill is one of the most popular game systems in German Indoor Parks

Of course it can be used outdoor as well.

The V.C. Hill shown in these pictures was fitted in Wildeshausen / Oldenburg. Shaped in a half-circle it is very space saving. It can be used by up to 50 children and adults playing, climbing, and sliding.

The full-circle version allows up to 100 people to play, climb, or slide simultaneously.

We are now able to offer the V.C. Hill at a very reasonable price including a two year warranty on canvas, slide and painting, plus a five year warranty on mount.

Also included: safety-test and structural analysis.

Also supplied: slide and slide-padding, landing mat at bottom of slide (landing mats with trimming), 5 climbing routes, climbing tower platform made of metal (including metal railing).

Slide available as tube (with windows) or open. Painting at your request.

Size of V.C. Hill shown in these pictures:

Diameter: 14,00m (18,00 m including landing mats)

Height: 5,50m (including railing)

Other sizes available (e.g. 12m, 10m, 8m diameter). Height: 3,00m -10,00m

All special sizes on demand.

Our prices (Diameter 14,00m , Height 5,50m)

Half-circle (space-saving) **29.999,00 €**

Full-circle **39.999,00 €**

(plus German V.A.T. 19 %)

Kids canopied wicker beach chairs

Great fun for your Park!

Very sturdy and robust quality.

Including drawer.

Made of the same material as the “real ones”

Various colours available.

Our price: (per chair) **479,--€** plus German V.A.T. and delivery

15,99 € each
to be written on with chalk**

Go-Kart Boards / Side Fences by Okidoki-Consult

Side fences fixed by special adhesive. No screws
Thus impact velocity is more evenly distributed.

Our board and side fence systems have been in use In lots of indoor and outdoor parks for years.

Our Go-kart board systems consist of steel and are anchored in the floor. Rubber buffers covering the plastic rebound bars reduce impact velocity. Thus you will protect your customers and your Go-Karts.

If requested, boards/side fences are available with railing and entrance gate (see picture)

Colours at your request

If you request, we will deliver and fit the complete system for you.

But you can also “do it yourself” with little effort.

Our price: (per running meter) from **79,-€** plus fitting and railing.

Power Paddler

The PowerPaddler® Boat

Your problem: how can you offer kids something new and increase the „fun factor“ at the same time?

Our solution: the power paddler boat, created in 2004. this light plastic boat comes in a beautiful design, is ready to run in no time and offers lots of fun.

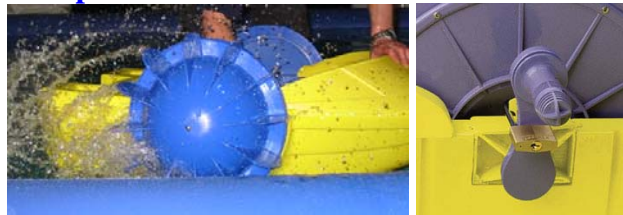

Easy drive

The power paddler will be delivered (disassembled).

If you cannot lock boats away overnight, or if you run a hire-buisness, the paddle wheels come with padlock device so boats cannot be used by anybody unauthorized.
